

# U.S. FUTSAL PRESS RELEASE

President's Day weekend 2022

More than 350 futsal teams poured down into Atlantic City, New Jersey to compete in the 25<sup>th</sup> U.S. Futsal Northeast Regional Championship. The Northeast Regional Championship is the largest Futsal tournament under one roof nationally and

internationally. Futsal teams came representing eleven states and twenty-three age pure categories and lite up the East Coast with mad futsal skills! From the Northeast Region of Connecticut, New Hampshire, Massachusetts and Rhode Island to the Mid-Atlantic Region of New Jersey, New York, Penn East, Penn West, Virginia, West Virginia and Maryland.

And if two years of hibernation because of COVID was not enough energy to spark a fire, U.S. Futsal with their direct relationship with AFA (Argentinean Futbol Association), sent their delegation of twenty-six members, to represent at our tournament. The delegation included the Argentinean National Women's Futsal team and National Coach Nicolas Noriega, who is also the Assistant Coach of the Argentinean Men's National Futsal Team, that reached the FIFA World Cup Finals last year. This excitement was so radiating that even U.S. Soccer sent National coach Dusan Jakica and his two assistant coaches to witness the U.S. Futsal event.
