

United States Futsal Press Release

Oakland, CA July 18, 2022

Nearly 200 futsal teams poured down into Santa Clara, California to compete in the 36th U.S. Futsal National Championship. The U.S. Futsal National Championship is the Oldest and Most Prestigious Futsal tournament in the United States.

Futsal teams came representing 12 states and 20 age categories and lite up the West Coast with mad futsal skills! With Virginia from the Northeast Region to

Southern California from the South-West. With Texas from the South-Central Region to Oregon from the Northwest. After 4 solid days of competitions; and blood, sweat and tears winners emerged from the 20 categories. The Men's Open competition was won by Sporting Maryland from Maryland, who played against last year's National Champions Elite Futsal from Utah. This is just the second

time in 10 years that Sporting Maryland has won the National Men's Title. In the Women's Open category, Di Bufala F.C. from San Francisco, California won its second National women's title in a thriller 3-2 game over Victory F.C.

We are proud to announce the Winners, Finalist and Bronze Medal winners of each age category, and congratulate all the teams that participated in the 2022 U.S. Futsal National Championship for their hard work, dedication and "fair play" throughout the competition
